Objective

The objective of this policy is to uphold academic integrity by addressing students identified through the proctoring mechanism for engaging in plagiarism or any other form of academic dishonesty during online evaluations.

Occurrence	Consequence
1st Occurrence	The student's evaluation will be marked as zero, and a written warning will be issued. A record of the incident will be maintained in the student's file. Disciplinary action may also be taken if required. The candidate will be allowed to continue attending regular classes.
2nd Occurrence	In cases of serious misconduct, first the student's evaluation attempt will be marked zero and the matter will be reviewed by the Academic Committee. The candidate can attend day-to-day classes, but no certificate will be given.

Implementation

- All cases of plagiarism detected through the proctoring mechanism will be reviewed by the disciplinary committee.
- Students will be given an opportunity to explain their actions before final decisions are made.
- Communication regarding disciplinary actions will be sent via official email channels.
